

Living with Wildlife

Geoff Coombe has studied venomous snakes in the field and captivity since 1971 and has delivered hundreds of training courses throughout Australia and overseas. Due to overwhelming demand, Geoff's knowledge, advice and expertise are now available as an e-Learning course.

Do your field staff encounter venomous snakes during their daily work?

Have you taken all practicable steps to ensure their safety?

Or are you just interested?

Aims

- To allay fear of snakes in the workplace
- To accurately inform people about snakes, especially snake behaviour
- How to identify snake hazards and rectify them safely

- To ensure people know and are aware of the importance of snake bite first aid
- **To engender a positive attitude towards snakes**

Outcomes

- Increased awareness about snakes in the workplace
- Provide people with knowledge to identify & solve snake-related issues in their workplace
